Mr. J. Sulzbach,
309 - 17th Street,
College Point, N. Y.

Dear Sir:

There are various publications that may meet your requirements. Most of the dealers get out various price lists. I would advise you to call upon Guttag Brothers, 16 Exchange Place, New York, who have issued several books that should help you. At any rate you should belong to the Association that publishes a monthly magazine and I am herewith sending you the application blank.

It also would be a profit to you if you could visit the Museum of this Society, which is open every afternoon but Monday.

Very truly yours,

Curator
